

THREE WAYS TO CELEBRATE YOUR GRADUATION RIGHT NOW!

Quick ways to make graduation memories.

CREATE PLAYLISTS FOR EVERY YEAR OF SCHOOL

We all have that one song or album that we play on repeat. What songs have defined your freshman, sophomore, junior, and senior year? What were your go-to songs for studying? Getting ready for class? Getting ready for going out? Celebrate your graduation with the perfect soundtrack! Make it even more fun by inviting your friends to make a collaborative playlist!

TAKE GRADUATION PICTURES

You can still graduate in style! Taking graduation pictures is a fun and easy way to celebrate this incredible milestone. With the help of a friend or family member, you can capture the moment with just your phone! Find an idyllic background, a tripod, and a good outfit, and you're ready to go. DECORATE YOUR GRADUATION CAP

Create a graduation keepsake you'll have for years. Materials for decorating your cap, like foam letters or fabric, can be found at Walmart, Target, or Amazon. Choose a saying, phrase, or motto for your cap, then start designing! Secure everything tightly and you'll be able to frame your graduation cap along with your diploma or degree! Our favorite decorating tips came from this [DiplomaFrame](#) article.
