

APPLY TO BE A PEER FORWARD

# Writing Coach

## What is PeerForward?

PeerForward transforms the lives of young people from low-income communities by developing teams of high school students who use influence and community organizing to lead their peers to higher education and careers. Our high school Peer Leaders will connect 122,000 students to postsecondary success in the next four years. You can help train these Peer Leaders at our Summer Workshops.

### From Students to Peer Leader

Workshops are the cornerstone of the PeerForward program. This is where the transformation occurs from student to Peer Leader. This year, PeerForward is thrilled to be partnering with [Nazareth College](#) to provide on-campus training to more than 360 Peer Leaders.
